Summary

With the world shutting down due to COVID and my job options seeing limited, I saw an opportunity in coding after having seen an ad on facebook. After doing some online tutorials and writing my first line of code I was hooked! I knew immediately this is definitely something I want to pursue and grow in. Now as a recent graduate of a Coding bootcamp, there is no looking back. I am eager to dive into the work force and immerse myself in this ever growing and ever evolving industry!
